RISK DISCLAIMER

The risk disclaimer is meant to inform the user of the potential financial risks of engaging in foreign exchange trading, and should be read in conjunction with the Risk Warning Disclosure contained in the Client Agreement.

The transaction of such financial instruments known as Forex, fx, or currency, and dealt on a valued basis known as "spot" or "forward", "day trading" and "option", can contain a substantial degree of risk. Before deciding to undertake such transactions with easyMarkets, and indeed, any other firm offering similar services, a user should carefully evaluate whether his/her financial situation is appropriate for such transactions.

Trading foreign exchange may result in a substantial or complete loss of funds and therefore should only be undertaken with risk capital. The definition of risk capital is funds that are not necessary to the survival or wellbeing of the user. easyMarkets strongly recommends that a user, who is considering trading foreign exchange products, read through all the main topics contained in the easyMarkets website so that he/she may obtain a clear and accurate understanding of the risks inherent to fx trading.

Opinions and analysis on potential expected market movements contained within the easyMarkets website are not to be considered necessarily precise or timely, and due to the public nature of the internet, easyMarkets cannot at any time guarantee the accuracy of such information. Information provided on this website is intended solely for informational purposes and is obtained from sources believed to be reliable and accurate. Information is in no way guaranteed.
